- 15.2.9 All Grievances, decisions and appeals at the formal level of this procedure shall be on a form approved by the parties. The approved form is Appendix E to this Agreement. #### 17.5.5 Governing Board Hearing

For a suspension without pay, demotion, or dismissal, the hearing shall be before the Governing Board of the District. Either the employee, CSEA on the employee's behalf, or the District may request a record of the hearing be made by certified court reporter. The requesting party shall bear the cost of such record. When both parties make a joint request for a record of the hearing, the parties will share equally in the cost of the record. The hearing shall be in closed session unless the employee makes a written request for a public hearing at least five (5) workdays prior to the hearing. The Board may deliberate in closed session outside the presence of the employee and the representatives of the District presenting the case against the employee. The Board's decision shall be final.

#### **ARTICLE 18: RECLASSIFICATION PROCEDURES**

#### 18.1 **Definitions**

Reclassification is the permanent upgrading of a unit position to a higher classification as a result of the gradual increase of duties being performed by the incumbent in the position. An increase in the volume of work shall not be the basis for a reclassification.

#### 18.2 Timeline

- 18.2.1 Reclassification can be requested when the essential functions of a position change, or if there has been an addition of duties over time.
- Beginning with the 2016-2017 school year, reclassification requests must be submitted to the Human Resources and the CSEA chapter president (or his/her designee) between October 1 and October 31 of a given school year. If October 31 falls on a weekend or holiday, the deadline will be extended to the following workday.

#### 18.3 Reclassification Procedures

- 18.3.1 Requests for reclassification may be made for a given position no more than once every three (3) years. Reclassification requests will not be accepted if the position was reclassified during the prior three (3) school years, regardless of whether the position was or was not reclassified. For example, a request for reclassification submitted in 2016-2017 for a given position will preclude subsequent requests for reclassification of that position until the 2019-2020 school year.
- 18.3.2 If a position is reclassified, the reclassification will be effective following approval by both the District's governing board and CSEA.
- In order to request reclassification, the permanent employee currently holding the position must submit the Reclassification Questionnaire to Human Resources and the CSEA chapter president or his/her designee. A copy of the Reclassification Questionnaire is attached in the Appendix. An incomplete Reclassification Questionnaire submitted will not be considered; however, in that case the employee may re-submit a complete Reclassification Questionnaire for consideration the following year.
  - 18.3.4 The Director of Personnel, or his/her designee, will determine whether the position should be referred to the Reclassification Committee ("Committee") for consideration of a change in classification, including consideration of a change in salary range or step; or

AB-

- 18.3.4.2 Whether the employee in the position is currently working out of the job classification.
- 18.3.5 The Reclassification Committee will be made up of two (2) members of CSEA, appointed by CSEA, two (2) members of the District's management team.
- Upon referral of a position, the Committee will meet and review the job description of the requested position along with the Reclassification Questionnaire. Thereafter, the Committee will vote on whether to recommend reclassification. If the Committee is tied, the Committee will select a neutral third party by consensus to determine whether to recommend reclassification. If no consensus is reached, the Superintendent shall determine whether recommend reclassification.
- 18.3.7 If the Committee recommends reclassification, the written recommendation will state what change in classification is recommended, including any recommendation as to the position's salary range and step.
- 18.3.8 If the reclassification is denied, notice of the denial shall be mailed to the bargaining unit member via certified U.S. mail to their last known address. The applicant may appeal the denial to the Governing Board. The appeal must be made in writing within 15 workdays of receipt of the denial and submitted to the Director of Human Resources. Neither the Governing Board nor the Committee's decision may be grieved.
- 18.3.9 If a position is reclassified such that a new job description is required, the Director of Personnel, or his/her designee, will revise the job description with CSEA.
- 18.3.10 All changes to job descriptions and/or changes to the position's salary range shall require CSEA and Board approval. The employee's step placement shall be negotiated by CSEA and the District.

- 19.2. 39-Month Reemployment List. The District will maintain a 39-Month Reemployment List which will include all laid off employees in order of seniority. Seniority is determined by the employee's first date of paid service as a regular employee at the District. If two or more employees have the same first date of paid service, seniority will be determined by the last four digits of the employee's social security number. The employee with the highest number will be considered the most senior.
- 19.3. Reemployment in Previously Held Positions. Laid off employees are not required to apply for vacant positions they previously held at the District.
  - 19.3.1. Notification. Within five (5) work days after a classified position becomes vacant Human Resources will call and email the most senior laid off employee who previously held the vacant position. The employee must notify the District of either acceptance or denial of the position, by telephone, or email, to Human Resources within three (3) working days after Human Resources initially informed the employee of the vacant position. If an employee denies the position or fails to respond within the three-day period, the District will then notify the next most senior laid off employee until a laid off employee accepts the position. The District will not notify a laid off employee of a vacant position if the employee has informed the District he/she is not interested in such positions. If none of the laid off employees accept the position, the District will post the position for current employees and outside applicants, in accordance with the terms of this Agreement.
  - 19.3.2. Denial or Failure to Respond. The District is not obligated to offer a laid off employee a vacant position if they decline the position or fail to respond by the three-day deadline. The District will remove an employee from the 39-Month Reemployment List if he/she fails to respond to two (2) of the District's offers of employment.
  - 19.3.3. Phone Number and Email. Employees are solely responsible for maintaining their current phone numbers and/or email addresses with Human Resources. If Human Resources reaches a wrong or disconnected phone number and/or an email is returned as "undeliverable," it will not continue to notify the employee until the employee updates his/her phone number and/or email address with Human Resources.

AB\_

- 19.3.4. Failure to Report to Work. If an employee fails to report to work without justification after he/she accepts a position, he/she will be permanently removed from the reemployment list.
